

## **PUBLIC WORKS SUPERVISOR**

### **NORWALK, IOWA**

The city of Norwalk, Iowa, (pop. estimated at 10,000) is seeking candidates for the position of Public Works Supervisor. Norwalk is a suburb of Des Moines; Iowa's capital city. Norwalk is located in Warren County, and is experiencing significant development and growth. The Public Works Supervisor works under the general direction of the Public Works Director but exercises significant independent judgment and initiative.

The city is seeking a professional leader who can work collaboratively with members of the Public Works Department as well as other city departments to realize the goals of the City Council. A high school diploma/GED is required and an Associate's Degree strongly preferred in addition to six years of increasingly responsible municipal construction and equipment operation experience, including two years of lead experience; or an equivalent combination of education and experience sufficient to successfully perform the essential duties such as those listed above. Ten years of active public works related experience is preferred.

The salary range for the position is \$58K - \$62K with an excellent benefit package, including medical, dental, life and disability insurance, vacation and other paid leave, retirement contributions and vision and deferred compensation options. The Public Works Supervisor is an FLSA exempt position.
