

**Do your part to fight
prescription drug
abuse!**

Prescription drug abuse is a growing concern. Those who abuse medication will go to great lengths to get them including stealing from medicine cabinets, stealing from family or friends, and even digging through the garbage to obtain them. Dispose of your unwanted, expired, or unused medications in an environmentally safe way by bringing them to a drug drop location near you.

Warren County Drug Drop

Saturday, April 26th from 8:00am to noon

Locations:

**Walgreen's in Indianola
Carlisle Fire Department
Norwalk Public Safety Building**

We WILL Accept:
