

Your Input is Needed - Share Your Ideas for Norwalk's Future Growth

Your input is crucial in assisting the City in determining the vision for future development in Norwalk. We are holding a public meeting to gather input from interested residents and business owners.

City staff and elected City leaders are working with the planning consultant firm Confluence to review and revise the plans for future growth of Norwalk and we need your help.

The meeting will focus on the Future Land Use Plan for the community, a part of the City's overall Comprehensive plan that identifies the projects and policies for the future development of the City. The Future Land Use Plan identifies the location of various land use categories in the City. This sets the stage for the location of future commercial and residential developments in the community.

Join us on Thursday, March 24, 2016 at 5:30 PM. The meeting will be held at the Norwalk Public Safety Building at 1100 Chatham Avenue. Everyone is encouraged to come out to the public input meeting and help us plan the future of our City.
