

# **JOIN US AT A PUBLIC OPEN HOUSE TO LEARN ABOUT PLANS FOR NORWALK'S FUTURE GROWTH**

For the past six months, the City has worked with a consulting firm to develop an update to the City's Future Land Use Plan and to develop a Master Plan for new commercial and residential areas on 600 acres in the center of town.

As the planning process nears completion, the City's consultants have developed drafts of the Future Land Use Plan and the Master Plan. These plans will be on display and up for discussion at a public open house on Wednesday, July 6, at 6:00 P.M. The open house will be held at the Lakewood Elementary School Cafeteria, 9210 Happy Hollow Drive.
