

***Several Western Metro Cities to Test Outdoor Warning Sirens Saturday***

*July 7, 2016 - Western Metro cities Clive, Norwalk, Waukee and West Des Moines will be conducting outdoor warning siren tests on Saturday, July 9 at 12 p.m. (noon). The additional testing is planned in response to recent programming changes within the Westcom Emergency Communications system.*

*In the event of severe weather in the area Saturday, the testing will be rescheduled.*
