Classes held at Main Street Montessori School

- 1) **Build Your Own Bat House** - Bats in your belfry? Instead of spending your fall evenings chasing them out of your house with a tennis racquet and oven mitt, why not go the ecological route and build your own bat house. In only one evening you will learn the importance of not just protecting our bat neighbors, but also encouraging their presence with a prime piece of real estate. Limit 8 individuals
- 2) **Beginners Knitting** - Learn to knit just in time for the cold weather. It's a wonderful and relaxing way to spend the cooler seasons. This class is aimed at beginners who will be taught to cast on and knit - very basic. But with those skills you will make yourself a wonderful scarf fit for keeping you warm or sending to mom as a Christmas gift. The class will meet two weeks later to finish the scarves, so you do have a knitting deadline. Limit 5 individuals.
- 3)  **Advent Calendar** - Nothing is better than the countdown to Christmas. Amp up the joy and excitement in your home with a personalized version. Limit 10 individuals
- 4) **Home Brwing - Beer Making 101** - It's time to truly test your skills and give brewing a try. In this class you learn the basics of home beer making from brewing to bottling. This class will run two sessions. The first to brew and then about 3 weeks later to bottle. Each participant will leave with the knowledge to start their own home brewing, a list of supplies and suppliers, and of course, their own six pack of home brew. Limit 8 individuals
- 5) **Establishing A Little Free Library** - Learn what it takes to start your own "Little free Library" and get the plans to build your own. Limit 8 individuals.
