Find your glue and imaginations for this program. Children in 3rd through 5th grade at Lakewood elementary are welcome to join. They meet once a month after school on Wednesday Early Out days to make special craft projects. This activity will bring smiles to the student along with their creativity. It helps **socially** - interacting with fellow students while making their creation, **developmentally** - utilizing and strengthening their fine motor skills, and **emotionally** - giving your child a sense of accomplishment and pride in what they made! Healthy snacks provided. Sign up all at once or monthly. Instructor: Nancy Kuehl
